A transparent serum for meeting the latest trend in skin care oils. It combines the aesthetic attributes of AAK emollients with the bioactivity of minor lipids. The formula is non-greasy and well absorbing, contributing to smooth and soft skin. It is the first serum featuring our 100% clear shea oil, Lipex SheaClear, combined with our velvety ester, Lipex SheaLight. A high concentration of shea triterpenes provided by Lipex SheaTris contributes to reinforcing the skin barrier.
