This delightfully fresh gel-cream has a light texture and is designed to soften the entire body. Instead of low-spreading mineral oil, it is formulated with our highly stable, rapeseed-based Lipex Bassol C. Easy to apply, this balm is quickly absorbed by the skin to replenish moisture and deliver softness with no tacky feel. Excellent in the morning to kickstart the day or to rebalance the skin after a workout. Best of all, it's as kind to the planet as it is to your skin
