You are invited!

Visit us on **STAND L330** at in-cosmetics in Amsterdam and discover more about our pioneering range of high-performance, natural-based lipid emollients.

Explore exciting **NEW** textures, learn from our experts and find out how to party the Swedish way!

At 3 pm on Wednesday, April 18th

We invite you to listen to renowned lipid technology expert, Jari Alander, as he presents the evolution of shea, from a simple butter to sophisticated innovations that open up new and exciting opportunities for the cosmetic formulator.

Stay and celebrate [Swedish Fira]

Join us for a glass or two of bubbly to mark the occasion of our 30th anniversary. From 3.30 pm onwards on Wednesday, April 18th.

Chat over coffee and treats [Swedish Fika]

Drop by any time to talk to our team in the relaxing atmosphere of our much loved Fika bar.
