Skin Perfector Face Cream is aesthetically pleasing on all levels. The soft gel-cream texture is beautifully easy to apply and gives skin an instant boost. It works as both a conditioning primer under make-up and alone as a complexion enhancing moisturiser. Lipex SMP has been combined with coconut oil to produce an effortless silky-glide, with a flawlessly smooth finish. The bioactives, Lipex Collect and Lipex SheaTris, deliver additional skin-soothing and strengthening properties. Apply in the morning after cleansing.
