

Summer and Winter Sport Stick SPF 15

Code:
AAK-14-107

This highly nourishing sun care stick helps defend against powerful UVA and UVB rays while maintaining moisture to the skin. It is based on particulate, mineral only UV filters dispersed in ecodesigned shea-based esters. Applies easily, wears exceptionally, and leaves no feel of heaviness or stickiness. It can be used on forehead, cheeks, nose, ears and even lips in summer beach time as well as enjoying wintertime sports.
