# Akosoft 36™

**Recommended applications:** all cosmetic applications

**INCI NAME** Hydrogenated coco-glycerides

Eco-friendly, oxidative stable, moisturizing vegetable oil that melts rapidly at body temperature to give a soft, luxurious skin feel. Akosoft 36 can be used as an alternative to light petrolatum gels and is suitable for fragrance-free formulations.

**Appearance:** off-white, semi-solid gel

**Slip melting point:** 36°C

**Solid fat content at 35°C:** 3%

**OSI:** >100 hrs at 110°C

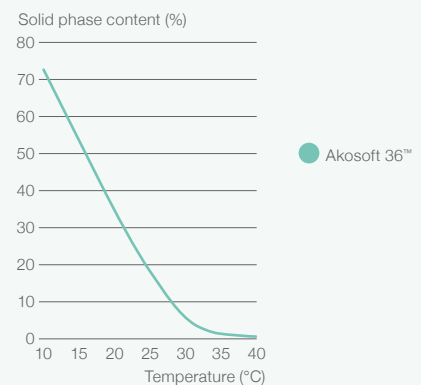

**Typical use concentrations:** 1–20% for skin care, 1–4% for hair care, 1–10% lip care

## Key features and benefits

- Smooth, semi-solid texture at ambient temperature gives added aesthetics and structure to formulations
- Saturated character gives good oxidative stability, providing long shelf life without the need for added antioxidants.
- Neutral color and odor make Akosoft 36 particularly suitable as a base for unscented and color free formulations.
- Melts completely on the skin giving a medium spreading, light non-oily skin feel.
