

Formulation

AAK-19-001

Simply Beautiful Eco-Conscious Face Oil

Raw Material	INCI Name	w/w (%)
Phase A		
Lipex Bassol C	Canola Oil	98.00
Lipex PreAct	Canola Oil	2.00

Procedure

1. Weigh in all ingredients in phase A.
2. Mix until homogenous.

Description:

Based on 100% natural emollients derived from renewable canola, this gentle, highly stable formulation is designed to soften, calm and restore stressed out skin. **Lipex Bassol C** offers high oxidative and photo-oxidative stability and has an odorless, colorless appearance, making it a superb quality base for skin care formulations. **Lipex PreAct** is a bioactive emollient rich in antioxidant tocopherols and anti-inflammatory phytosterols, delivering photo-protection and skin soothing benefits.

Warm a few drops on your fingertips and press gently over the skin until absorbed. Can be used morning and evening after your regular treatment cream to seal in moisture.

Trend: clean label, single INCI, cold processed and energy saving

Variations:

For an anti-aging version, reduce Lipex Bassol C concentrations by up 2% and replace with Lipex SheaTris – our shea butter triterpene ester concentrate shown to protect against environmental stress and premature skin aging.

For a lighter, silkier skin feel, include Lipex SheaLight, our award-winning, eco-designed liquid shea ester.
