Description: a versatile balm designed to soothe, calm and cool stressed-out skin. **Lipex Bassol C** provides an odorless, colorless, highly stable moisturizing base. **Lipex PreAct** is naturally rich in antioxidant tocopherols and anti-inflammatory phytosterols, delivering documented photoprotection and skin soothing benefits. **Lipex SheaLight** enhances sensory appeal by reducing viscosity, improving spreadability and lowering tackiness. Cosmos CPAI 98.9%

Trend: gender-neutral product to counteract modern-day skin aggressors –environmental, chemical, emotional. Low energy processing.

Variations: add centella asiatica for a cica balm or aloe vera for a cooling boost.
